

Dear BMS Families,

March 2008

It's time to sign up for the Twelfth Annual Berkeley Montessori School Sunday Recital. Many BMS students are very involved with lessons and practice. The recital is a wonderful way for our young musicians to share their talent and accomplishments with their peers and our community.

When: Sunday May 11, 2008, 11:00 AM , in the Depot (yes, it is Mother's Day – spend part of it with us!)

As always, a potluck will follow the recital.

Students, please choose one piece you really like to play, on your own instrument or the school's piano. Advanced students are welcome to play that long piece or sonata movement you prepared for your teacher's recital! Students of national/traditional music are welcome to sing, dance or play their instrument. Each performer should choose just one piece in order to keep the recital to a reasonable length. If you are in a duet or group performance you may also perform one solo piece.

All performers, please report at 10:45. Pianists may wish to come between 10:15 and 10:45 to familiarize themselves with the piano. Everyone should be ready to be both a performer and a good audience member. There will be no rehearsal. All you musicians already know how to "take the stage" at your turn and to play your piece. PLEASE BE ON TIME. We will start promptly. The recital will begin with the youngest performers, and end with the middle-school students.

Everyone, please plan to bring a dish to share for our fun lunch after the performance.

Please complete the form below and return it to the elementary school office by Friday, May 2, or email the info to me. Questions? Don't hesitate to call or email! Thanks!
